

**Integrated Social Initiatives (ISI)** was registered in 2012 to contribute to the task of social transformation primarily through social research, empowerment of the marginalised by knowledge development and capacity building, and dissemination of information for socio-economic and cultural development. To expand the knowledge space ISI publishes **Social Action** as quarterly journal four times a year, and **Legal News & Views** and **Hashiye Ki Awaz** as monthly magazines. All our publications have an ISSN number. The subscription rates are low so as to reach out to public. I would like you to be part of our mission, and moreover, invite you to be a contributor and subscriber of our journal and magazines.
